SENATOR TOPINKA:

Madam President, tomorrow morning at 9:30 Public Health and Welfare will meet very briefly over in A -- the A Section of Stratton, and we have three amendments. It should be very, very quick.

PRESIDING OFFICER: (SENATOR DONAHUE)

3rd Reading. Senator Demuzio, what -- for what purpose do you rise?

SENATOR DEMUZIO:

On a -- I guess a parliamentary inquiry, if Senator Maitland is listening.

PRESIDING OFFICER: (SENATOR DONAHUE)

State your inquiry, sir.

SENATOR DEMUZIO:

Tomorrow is the last day for the Appropriations Committee to meet, and I just had a discussion with the other side of the aisle, indicating that the posting notice, which -- appears in the Calendar, indicates subject matter only, which apparently is on five bills. However, since tomorrow is, in fact, the deadline for all appropriation bills to be out of committee, it would seem to me that on page 15 of our rules, where it says that the Chairperson of the committee shall, no later than six days before

any proposed hearing, post a notice of the -- on the Senate bulletin board identifying each Legislative Measure to be considered during such hearing. The notice shall contain the date, hour and the place of the hearing. And I know that perhaps the position has been in the -- has been taken that that, once posted, always posted, but it just seems to me that as a matter of informing both the Members as well as the public, that maybe we ought to take the position that we ought to re-post perhaps in the future, so that we know that it is, in fact, -- there is going to be action taken on those additional bills. I think in the past we have posted, and -- and we've heard the bills. We've held them in the committee, but we've re-posted them again when we were about to take some final action on them. So I -- I would ask if -- if that is the intention to continue to -- to post as required under our rules, or whether or not we're going to continue to assume that once posted, always posted.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Maitland, for what purpose do you rise?

SENATOR MAITLAND:

Thank you. Just to respond to Senator Demuzio. I understand the question, Senator. We are operating under the theory that once posted, always posted. And our plans, as I think maybe your staff director and/or minority spokesman have told you, is -- is that we will -- we will adjourn when we recess this evening and reconvene tomorrow morning to deal with -- with the appropriation bills out of committee and Members' -- and Member bills.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Demuzio.

SENATOR DEMUZIO:

I'm not quarrelling what we're about to do. I just think it's a -- it's not in accordance with our rules, as -- as is on page 15, and so I think perhaps maybe we ought to look at that. I'm

not suggesting we get into some big brouhaha here, but perhaps we ought to take a look at it and see whether or not we want to change that later on, or have another understanding so that everybody understands what we're doing. Thank you very much.

SENATOR DEL VALLE:

We have a colleague who is celebrating a birthday today on this side of the aisle, and I want our Members to wish him happy birthday: Senator Garcia, who is thirty-eight years old today. Getting very old.

PRESIDING OFFICER: (SENATOR DONAHUE)
